

Just Us Elopements at West Hill House B&B

Eloping emphasizes the celebration of the marriage of two people rather than the hosting of an event. Eloping is about a couple in love, a celebrant, a photographer, and a small reception to celebrate the occasion.

We believe in the power and grace of marriage and that your marriage, the joining of two human beings who are in love, is to be celebrated in a beautiful and personal style.

West Hill House B&B is a classic Vermont elopement destination where you can experience the beauty of the Green Mountain location and focus on intimacy of the vows the two of you will exchange.

This step in your life journey together embraces many memories, and helping to create and capture these memories is the service we provide:

- ✧ An excellent Justice of the Peace who will officiate at your ceremony and will contact you ahead of time to work with you to personalize your ceremony.
- ✧ A wedding cake made especially for you.
- ✧ Sparkling wine or cider to toast the event.
- ✧ Two keepsake signature West Hill House B&B toasting flutes.
- ✧ Digital photographs and slideshow of your ceremony.
- ✧ Seasonal flowers for the two of you: either small corsages, boutonnieres, or bouquets or a table arrangement
- ✧ Two or more nights of accommodation

We'd love to hear your ideas and talk about the possibilities for your special day.

This is a package and includes only the items listed and just for the wedding couple. While this inclusive elopement package offers everything you need, we recognize that some couples may wish a more customized event or a larger number of guests. Have a look at our Wedding page for our Micro-Wedding and Intimate Wedding options, then call us to discuss.
