

## Micro-Weddings at West Hill House B&B

You have chosen to share your special day with those near and dear to you without the stress of a big showy wedding. We believe in the power and grace of marriage and that your wedding, the joining of two human beings who are in love, is to be celebrated in a beautiful and personal style.

A small intimate celebration can be just as meaningful as a large one. It will allow you to relax and enjoy the company of your guests.

Our Micro-Wedding package offers you the option to invite up to 16 guests to join you as you share your vows and celebrate with a toast.

Your package will include:

- ✧ An excellent Justice of the Peace who will officiate at your ceremony and will contact you ahead of time to work with you to personalize your ceremony.
- ✧ A wedding cake made especially for you.
- ✧ Sparkling wine or cider to toast the event.
- ✧ Two keepsake signature West Hill House B&B toasting flutes.
- ✧ Digital photographs and slideshow of your ceremony.
- ✧ Seasonal flowers for the two of you: either small corsages, boutonnieres, or bouquets or a table arrangement
- ✧ Accommodation for two nights in the guest room of your choice.
- ✧ Up to 16 guests to join you for the ceremony for an additional fee per guest.\*

Please call us to discuss all the details – we look forward to talking with you.

\*Your guests are encouraged to also make a two-night reservation at West Hill House B&B, although it is not required that guests stay here. Accommodation is additional and based on availability.

*This is a package and includes only the items listed. It is for the wedding couple and up to 16 guests. While this inclusive Micro-Wedding package offers everything you need, we recognize that some couples may wish a more customized event or a larger number of guests. Have a look at our Wedding page for our Intimate Wedding option, then call us to discuss.*
